-
- **Event Information**
-
- Meetings will be announced on the website (in the INFORMATION -EVENTS page) and on the West Coast military nets.
- The annual meet is usually held in Southern California at Camp San Luis (sometimes at Ft. MacArthur) on the first weekend of May. Other events are also occasionally held at Ft. MacArthur.
- The MRCG AM net is every Saturday evening, on approx 3985 KHz. Time depends on the season and conditions; at this time, it starts at 8 pm.
- The SSB net is every Wednesday evening at 8 pm (Pacific) approx on 3996 KHz USB. Please join us when you can! Check the [calendar](#) on the website for upcoming events. ##
